Mighty Mighty Lions ROAR ROAR !!!

It is February and it is Rodeo. This is our time to shine. The Food Concession Committee is working hard to get everything ready. Goodfellows AFB will be operating the skid and the Downtown Lions will be operating in the concessions. But we still need Lions to help out and train in the skid. We have many slots open. Come sign up at our Thursday meetings. Emails will be going out soon with available slots.

Remember, if you are a member of the Downtown Lions it is your responsibility to serve. This is how our club thrives and survives.

Thank you Downtown Lions. It is your volunteerism that makes this club Dynamic.

(Left to right): Denise Camarillo, Jonice Greenwood and Yolanda Tobias of the Concho Valley Community Action Agency. Lion Scott Patterson introduced Yolanda to our club on January 5th. She talked about a program that helps anyone with their tax returns (simple ones). She asked our club members to volunteer to be greeters when possible.

Lion David Word presented a program on the Texas Lions Camp to our club on January 12th. He showed a video of the campers, staff and volunteers. The camp serves around 1,500 children each summer. He encouraged to find campers and to get them signed up for this summer. Since this camp is so unique, Lions should be proud of supporting it.

District Governor Lee Sigler and his wife visited our club on January 19th as his official visit for the year. He told us some of his background which included his time in the Navy. He talked about the Texas Lions Camp and how Lions are more enthusiastic about being a Lion after visiting or helping at the camp with the children. He thanked our club for being in the District and the vast experience we have with the number of PDG's in our club.

Lion Allan Henderson introduced Bryant Hicks, Executive Director of the Concho Valley Turning Point at our January 26th meeting. CVTP provides services to assist people in letting go of destructive lifestyles. They offer intervention services to families who wish to confront an addict, assistance to individuals in recognizing the need for recovery, and by making referrals to other agencies. They are located at 819 Rust Street.

Don't forget to sell or buy tickets for our drawing on February 24th for the Beretta AL391-U 12 gauge shotgun. This money will be used to help with the endowment fund at the Texas Lions Camp and other charitable organizations or needy individuals. Tickets are \$2.00 each or 3 for \$5.00.

TEN YEARS

An applicant was being interviewed for admission to a prominent medical school. "Tell me," inquired the interviewer, "where do you expect to be ten years from now?"

"Well, let's see," replied the student. "It's Wednesday afternoon. I guess I'll be on the golf course by now."
