## FUNNY QUOTES

I just read a book about marriage that says treat your wife like you treated her on your first date. So tonight after dinner I'm dropping her off at her parent's house.

I love bacon. Sometimes I eat it twice a day. It takes my mind off the terrible chest pains I keep getting.

I want to be 14 again & ruin my life differently. I have new ideas.

I hate it when people act all intellectual and talk about Mozart when they've never even seen one of his paintings.

Never trust an electrician with no eye brows.

So my neighbor knocked on my front door at 3 am. 3AM!!! Luckily I was already up playing the bagpipes.

Instead of cleaning my house, I just watch an episode of "The Hoarders," and think, "Wow! My house looks great."
