## **Non-Plumber's Helper**

Because I couldn't unplug the toilet with a plunger, I had to dismantle the entire fixture, no small feat for a non-plumber. Jammed inside the drain was a purple rubber dinosaur, which belonged to my five-year-old son.

I painstakingly got all the toilet parts together again, the tank filled, and I flushed it. However, it didn't work much better than before!

As I pondered what to do next, my son walked into the bathroom. I pointed to the purple dinosaur I had just dislodged and told him that the toilet still wasn't working.

"Did you get the green one, too?" he asked.

Lion Steve Hampton introduced Chaplin Dennis Trujillo of the Jail Ministry at our November 30 noon meeting. The ministry celebrated 25 years of serving the Tom Green County jail. Over 100 volunteers, representing over 50 churches, make it the largest jail ministry in a county facility in the state. It is a 501(c)3 non-profit which relies on donations from organizations and individuals. They minister to all aspects of an inmate's life from spiritual to helping them gain skills to help them when they are released from jail. They have their own office in the jail and classrooms are available for Bible study. At Christmas time, they assemble and distribute food baskets and give gifts to the inmate's children under the age of 12.
